

The logo for ILCEC 2019 is a teardrop-shaped graphic with a color gradient from orange at the bottom to red at the top. It features a network of white dots connected by thin lines, resembling a molecular or data structure. The text "ILCEC" is written in a large, white, sans-serif font, with "2019" in a smaller font to its right.

ILCEC 2019

The background of the poster is a close-up photograph of a hand holding a thin, transparent, rectangular sample of a liquid crystal elastomer. The sample is held between the thumb and index finger. The background is a blurred blue and green, with a network of white dots and lines overlaid, similar to the logo. The text "International Liquid Crystal Elastomer Conference" is written in a large, bold, sans-serif font. "International" is in orange, and "Liquid Crystal Elastomer Conference" is in white.
